Jog-a-thon Fun

by Daisy P., 4th grade

Did you hear? The Jog-a-thon is almost here! On May 9 2008, the whole school will go to the South Eugene High School track field and run for one hour. It might sound boring, but the fun is here!

You ask your parents, grandparents, or even friends to sign a form to raise money to help Edison School be a better school! But the good part is if you return the piece of paper with three pledges, you get a Prince Puckler's ice cream coupon for a free ice cream! But that's not all! During the race after each lap, have your teacher or a parent mark the lap on the paper on your back.

At the end, you get popsicles and get to run around. But the sad part is that you have to go back to school. But the good part is you missed a lot of school work because it's an early release day!

The Shelton-
McMurphey-
Johnson House

by Sofia F., 4th grade

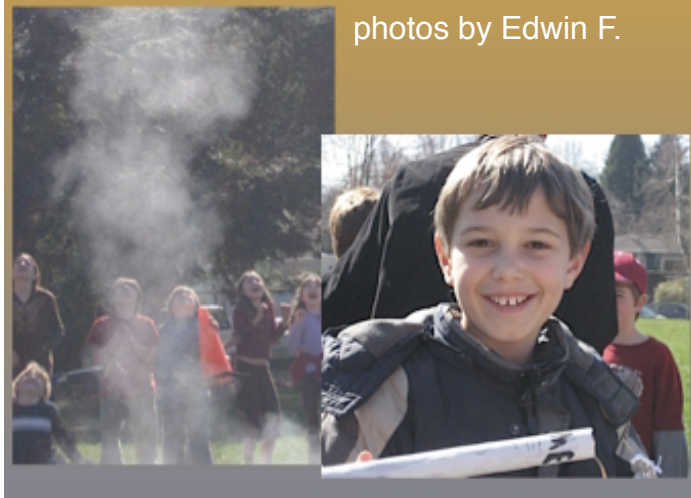

The Shelton McMurphey-Johnson House was built in 1888, and it sits on a hill overlooking Eugene (at Skinner Butte). The Sheltons were the first people to live in the house. They had someone build it for them by the railroad, because back then, everyone wanted to live by the railroad.

The Shelton McMurphey-Johnson House is now a Victorian museum, where you can visit. You should check it out. It's worth it!

Rocket Launching

photos by Edwin F.

Here are some snapshots of the homemade rocket launchings from the after school science program. James' (upper right) rocket lifted off and landed successfully!
